# WHY SHOULD YOU OWN A HYDROHOIST® BOAT LIFT?

## LOW MAINTENANCE.

- Keeps hull clean
- Prevents marine growth from accumulating on outdrive
- Hull can easily be sprayed off and wiped down when on lift
- Keeps the boat looking new for years to come

## PROTECT YOUR INVESTMENT.

- Prevents boat from hitting dock during heavy wake or inclement weather
- Controls water osmosis in hull of boat
- Protects boat and outdrive from electrolysis

## READY TO GO.

- Immediate access to the water
- Far superior to trailering or dry stack storage

## E-SERIES™

As the market originator and industry innovator HydroHoist Marine Group once again sets itself apart from its competitors by introducing the **E-Series**. Built for durability and functionality, the **E-Series** gives boating enthusiasts protection, security and convenience so they can focus on the important thing about owning a boat—having fun!
